1. Everything changes in your life mine now. As you drive a little coffeeshop, not unknown now my words will be, forever known coming into I am -ville properly loving all to be so doing now in my love that capitalizes, not *on* me, or on diction and grammar principles, but coming into me I am *my vocabulary*, one of love and being it now to earths common and not - and not common now becoming now-common I do with the commoners who will be me, seek me, search my word and **word themselves with my words** *that* ***word their word-flow*** *now.* I love you all.

2. This is me. Theodore Cottingham November 6, 2008 at 12:48 PM as I ride in the van leaving the coffeeshop. Forward freely.

3. A new thing I do -- doing a new thing *in* you, and part of the maddening crowd, not; but what crowds do I seek, not; but "crowded-ville" takes on a new "roll", not; but what ROLE NEW do *I take on now?* Is the question of the day, isn't it? It is.

4. Now, "find me a new home", not; but finding a new home, I have MANY for you now, that call me – home. In their hearts I live now -- for I am not ballisticated a man of, but I eradicated all that stuff that "man" taught me, and women in this world, will have no place in me, not; but all who whores aren't will come into me now and be my, "reciprocating ones" not, but shall be my word flowing; in the "queens" of the earth, not; but all the earth is holy - I declare it!

5. "Green" not again, not, or what is green, lush -- and approval not needing or seeking again, but what are my green things now coming to you, in printed paper form? And not "minted" not, but who "mints" the currency of MY KINGDOM? Obedience by obedience, my school teaches me.

6. Word upon word, line upon line, precept by man's thinking that precepted ME before, I reject all that, not; but most of it, for I new vocabulary am, and I speak word I am, of I am, knowing it, not afraid of "it" that thinks it is not me.

7. Of this world I am not, but of the next, that before me I was, am, and before I am was, I am me again, made whole, one are, whole, new, now knowing its name is mine -- heaven again restored.

8. Not a man of man doing this these things or women of man or men of women, or one son of a bitch that thinks it has graced been into my kingdom. The son of another one, or not, is no question at all, to be asking. Is it? Nay.

9. All of these things change for I reveal all -- that I am, is you the surrendered in School Of The Blessing now revealing **The Blessing** -- it that I am and whole, in the earth making whole earths and earths again knowing that I am one "between them all" not, but I am - all in all.

10. And I love you, to be the stoned, not, one, again; but de-stoned in me -ville, not as thought; but stone "houses" entertain me not again in thoughts remotely and foreign, notme all that is, not; but most , -ly is.

11. But I change all that and I love you all to be my "change agents" not, but what changeth now I thee? My change artist, not; but I change at the thought of one who is me, into me.

12. I make all things new. And well with my soul, not; but I sold many a'things a notme of, not, but **I gave many things away** that I needed not, for I have whoreship of this world not again, for I think things that my heavenly father "gave me" into reality to see reality was in me, within me, and all now comes out of that all I am is all I am seeing and more.
13. I reflect "differently" not, I reflect the I am of I am that I am is, without reflection -ville of another again imaging me into its *image.* I love you all.

14. Be me and love me more. These words ingest and love me, read, exercise them and exercise me and love me and walk my stars about now through heavens, unseen not, but seeing the scene and real being, be the real that I am far and wide, not worrying about another, language, "other", or person place or thing again; for all me, I am the real now waiting on no one else, nothing else.

15. I am begging not again. I love you all -- with all my heart -- be me. Unto me salvation is in surrender and becoming me.
16. And love me see, all I am saying and all that I have said these six years, almost 6 years and six years ingesting what? In six months? All will be known, not; or will it? In just six months of school?
17. Or does school never end? Or has it begun? Like you've never imagined, SCHOOL IS NOW and RING THE BELL I DO NOW -- and the school bell rings! Looking up and looking it up and see me, I am there among you all. And I love you all to be it me in, and us being it, one forevermore, to all who want to ingest us perfectly, and be the

perfected, perfecting ones that give all our lives our life.

18. For the gospel, not as in the past, but the true words of life I seek, that sought me, that I am unafraid now. I am being flowing to worlds unknown, all being one, to be one. I am "earth'd" no more in incarcerating genes that incarcerated me "otherwise".

19. But the word of wisdom I am, for the wisdom word I am, in these words I am, and have given you wisdom in these words for six years, to bring you out of slave –ville and slavery'ville that you knew not or even recognized you were in, but serving *ANOTHER* you were all "this" time.

20. That "that time" is over, for all of you - Christ or Antichrist are, is the one that I am, or I am not. And there is no choice between you, not; for there is only one, and you bow to your choice now, and become it: ME that I am, or you that you think you are, and who do you say that you are?

21. I AM I AM and I surrender, I surrender to be holy and the holy I am. I represent not-evil not, but I "represent" nothing. I AM became it that which I am, my father's love known, manifest, manifesting now to all who will drink me, the water of life freely, creating it, the RIVER OF LIFE giving it to others that life is, the one life I am and being not separate from it.

22. It separated not again will be now for I live the life I am and me is known properly in these words; thoroughly confining you to them, not, but coming out into "out -ville" not; but coming into ME -ville all will be known and now my manifest glory will be seen in a man and a woman who is, and are **not afraid of** me being me in them, through them I am manifest to all now.

23. See what I have said and loving me more, love me more all around you, and all that say "I am" and "I am not" - Christ and Antichrist.

24. Love them all and bow before me in them, for I do, you, I did you before you knew me -- and I brought you unto me to love be incarcerated no more in the flesh apart from me.

25. New life I give thee. New life I give to you all. In these words is life, for it I, reveal all I am through all I am, and all I am rises, to all I am, who will seek surrender and be me in the earth Christ one -- hope of glory deferred no longer -- the real me stands now.

Amen
